Time to say good bye

This month marks the end of my second and final term as Commodore of the ECSA and it is with mixed feelings that I step down; however I am happy to turn the leadership over to someone as wonderful and capable as Donna Oyer. I am sure she will be an outstanding Commodore.

Readers of this column should be well aware of my habit of procrastinating and pushing the FT&C deadline until the last possible minute (and sometimes beyond!). Usually the cause has been somewhat out of my control, traveling on business for example - this time however it's because I have been reflecting back on our many accomplishments during the past two years, as well as work that is left to do. I'd like to highlight just a few.

What I am most proud of is how much family participation in the club's activities has increased. A few short years ago it was rare to see a child or teen at an event, but now we are seeing many families attending. It's great for our sport, for our families and of course for the kids. Please keep it up!

While preparing the 2006 ECSA directory this past weekend, I was reviewing next year's cruising calendar. Although I was unable to attend the scheduling meeting, I was happy to see so many newer members heeding my plea to get involved and agreeing to host cruises next year. We will all benefit from the fresh faces and ideas.

Of course I cannot forget how so many of you answered my call to contribute to the Sunshine Fund. It was sad that we lost three long time members this past year, but your generosity paid dividends many times over with the gifts and donations made to their families on behalf of the Club. Thank you.

Looking ahead, please continue to stay the course. Continue funding the Sunshine Fund, continue to get involved, don't forget to welcome new members into our group, and of course have fun! Get out there and participate in the races and cruises. Lastly, I ask that all of you support Donna during her term as Commodore.

(Continued on page 3)

Hi Gang,

Well, this is my last article as Vice Commodore as I'm switching to the rear next year! Plan on getting into racing a little bit. You could start by volunteering on the committee boat and learn what it looks like from there. I do remember those guys waiting for us to finish on Thirsty Whale last year. Maybe I'll pack an extra sandwich or two. Well, it's been fun and interesting being your Vice Commodore. I invite all of you to try it one of these years because it's rewarding. Hope you all have a Happy New Year and see you at the Banquet on the 7th.

Your Vice Commodore,
Joe Luthman

Another successful year has passed, and as we look forward to the new year, I would like to thank Ron Vanderveer, Jim Yates and Sherry Beckett for organizing our racing and cruising programs. Any program is only as good as the people who run it and our programs were the best. Your hard work made my job as Rear Commodore very easy. On behalf of our members, I thank you all. I have really enjoyed being your Rear Commodore the past year and I look forward to serving as your Vice Commodore in 2006.

For those of you who are planning to attend the Frost Bite Cruise, and have never been before, here is some useful information:

The Frost Bite Cruise is held at Ballard Park. There are basically two places to anchor. The first is outside the park and to the north side of the channel. There is plenty of good water there. The second spot is inside; however you cannot anchor in the conventional way, because there is not enough swinging room. What you can do is go around the west side of the park, and then slowly turn toward the park until you hit the mud bottom. Then tie off on the closest tree. We have been doing it that way for years and normally we can get seven or eight boats on the west side. Of course if the wind comes out of the west, it kinda puts you sideways, so a stern anchor might be helpful.

The plan is to meet at the park, by boat or car, in the early afternoon. We will have a potluck dinner at 5 PM, then just sit and swap sea stories for the rest of the night. In the morning, the club will provide coffee for those who are still there. This is probably my favorite cruise of the year. Karen and I attended our first Frost Bite by car eleven years ago. There were eight people there and we froze. The high that day was only about forty and the wind was stiff. Since that cruise we have attended every one by boat and the weather has been great. Lets hope the good luck holds out for this year and we see you there.

I thank you for the opportunity to serve as Commodore and the support I have received from all of you. I hope each of you feel that I have left the Club in a better state than when you elected me.

See you on the water.
Dave

Jim said the first race of the winter series would be on January 21, 2006. The club also hopes to do a race similar to Family Fun Day, which was done in the

past. There will be more on this and other races, and will be listed in the FT&C. You can also check the website www.sail-race.com

Ron Vanderveer said the Holiday Boat Parade would be this Saturday, December 17th. We have 8 boats from ECSA in the parade this year. There will be a stop at Samson's Island. There will be a New Year's Cruise to Vero Beach, Saturday, December 31 - Monday Jan. 2nd. The Oyer's are in charge of this cruise. Please contact them if interested.

Ron reminded all that there would be a cruise-planning meeting tonight after our regular meeting. Please stay and give your suggestions.

OLD BUSINESS:
